New Account Set-Up

Welcome to Carefree Water Company's EyeOnWater!

The EyeOnWater hardware has been installed on your water meter and you're ready to setup an account. By following these few easy steps, you will be able to access EyeOnWater and view your water usage information:

1. Enter <https://eyeonwater.com> on your computer's web browser.
2. Click on the **Create Account** link.

The screenshot shows a web browser window with the address bar displaying <https://eyeonwater.com/>. The website header includes the EyeOnWater logo and a 'Help' link. The main content area features a large blue water drop icon and a 'Did you know?' section. To the right, under 'My EyeOnWater Account', there are input fields for 'Email Address:' and 'Password:'. Below these fields are two buttons: 'Sign In' and 'Create Account'. The 'Create Account' button is circled in red, with a red box containing the number '2' next to it. The footer of the page includes 'Powered by Badger Meter, Inc.' and a 'Legal' link.

3. Enter the zip code for your service address: either the Carefree zip code of **85377** or the Cave Creek zip code of **85331**. "Carefree Water Co Inc" will automatically pop into this field after entering the zip code.

4. Enter your **Account Number** that's shown on your water bill (we've included your account number in the e-mail that sent you these instructions).

5. Click on **"Next"**.
